

## **IMMEDIATE ATTENTION REQUIRED!**

### **CHANGES TO ATR-I RECOVERY SUPPORT SERVICES EFFECTIVE JUNE 1, 2006**

Some exciting changes and increases were made to the ATR-I Recovery Support Services. These changes are effective June 1, 2006. Some of you may have already noticed these changes in your new vouchers.

#### **CASE MANAGEMENT:**

- Increased from the 24 hour yearly max to **52 hours yearly max, not to exceed 4 hours per week.**
- **Additionally, a new benefit for Case Management Care Plan Development – 3 hours for the first 30 days.** This benefit is for new clients that require the initial care plan development. The provider will receive a voucher for **3 hours (12 units) for 30 days** to develop a care plan.  
The provider will also receive a voucher for 52 hours of case management for a year in addition to the care plan development voucher.

#### **DRUG/ALCOHOL TESTING:**

Increased from 20 tests per year, to **104 tests per year, not to exceed 2 tests per week.**

#### **TRANSPORTATION:**

**Providers can now bill a client pick up fee each time the client is picked up, in addition to billing for the mileage that has an increased reimbursement rate. Pick up fee is \$2.89 and per mileage rate has been increased to \$1.11.**

*These are exciting changes to the Recovery Support Service system. Attached you will find the updated Recovery Support Services rate matrix. Please refer to this for the new codes, reimbursement rates and limits that apply to these services.*

*All Case Managers and Treatment Providers may begin requesting these additional services on new voucher requests submitted after June 1, 2006.*

If you have concerns or questions regarding this process please speak first to your Regional Coordinator who can either address your concerns or get clarification from BPA's Central Office on your behalf.
